The Double Value Sale

ASHBOURNE FARMS

Shorthorn and Polled Shorthorn Sale

LA GRANGE, KENTUCKY

Monday, April 20, 1970

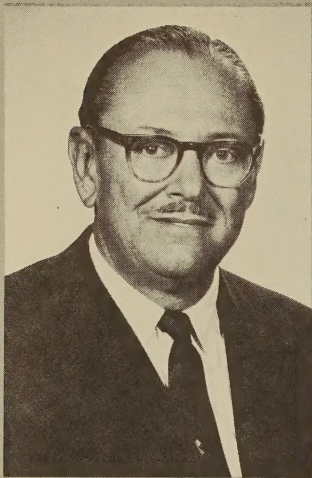

62 LOTS

10 Bulls

52 Females

40 Cows with Calves

12 Bred Females

W. L. LYONS BROWN
Owner

Welcome!

Dear Friends:

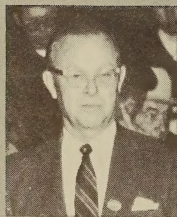

I am looking forward to seeing you at our first "all cow" and bull sale on Monday, April 20, at the farm near La Grange. Our herd is large enough and strong enough in depth to make this a continuous policy in one of our two annual sales. We feel that Shorthorn owners and their managers and herdsmen will appreciate the triple advantage of buying proven cows with calf at side plus, in many cases, safe in calf again to one of our famous bulls.

The sale will feature both Shorthorns and Polled Shorthorns, and we hope you will arrive in time to thoroughly inspect the cattle on Sunday afternoon.

Sincerely,

Lyons

W. L. Lyons Brown

JIM KING
General Manager

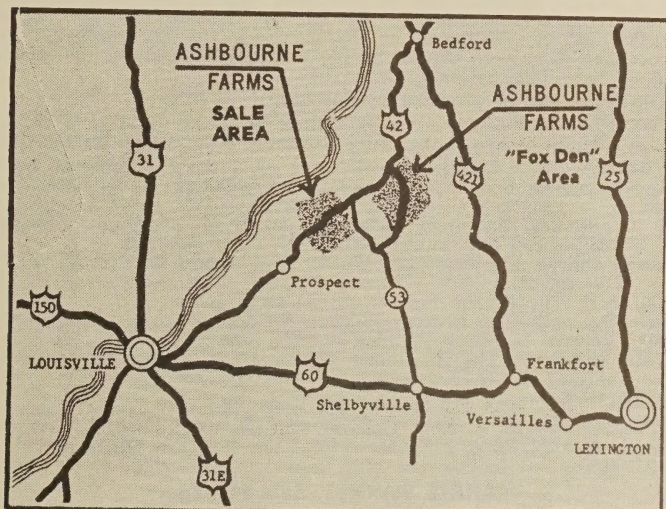

IRVIN RETZLAFF
Cattle Manager

You are cordially invited to be the guest of W. L. Lyons Brown at a buffet dinner at the farm, beginning at 5:30 p.m. the evening before the sale, April 19.

ARRIVE EARLY

Ashbourne is one of the breed's largest Shorthorn and Polled Shorthorn herds. In addition, large commercial cattle herds feature great infusions of Shorthorn blood. Arrive early to see it all and inspect the sale offering at leisure.

LIABILITY: Ashbourne Farms, its owners and employees accept no liability for accidents that may occur. Mishaps at cattle sales are very rare but all attending must do so at their own risk. The sale manager and his staff, the auctioneers, ringmen and clerks were employed by the owners for specific promotional and clerical tasks and have no connection with the handling of the cattle, the condition of the premises, fulfillment of guarantees or status of health papers. The sale of each animal constitutes a contract between the buyer and seller in each lot, but the sale manager cannot be responsible for the fulfillment of that contract. Where footnotes appear in the catalog, they were written by the owners or employees of Ashbourne Farms, or from information provided by them.

LUNCH: Lunch will be provided on sale day.

Lyons Brown greets the guests at a former Ashbourne sale.

From the Sale Manager

For decades, Ashbourne has been among the breed's leading Shorthorn herds. Now, they assume a position of leadership with top Polled Shorthorns as well.

Ashbourne is a big farm, and it's a profitable one. Today more than 400 purebred Shorthorn and Polled Shorthorn breeding cows populate the pastures. In addition there's a vast commercial herd that is served largely by registered Shorthorn and Polled Shorthorn bulls.

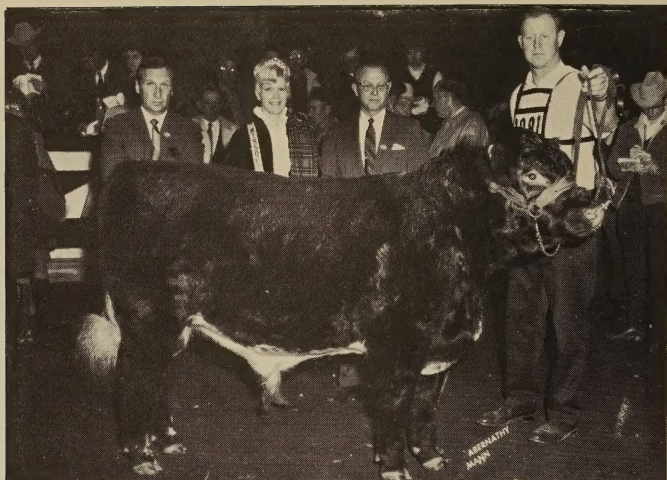

From such a large, quality establishment you can make your choices in number. Accordingly, Ashbourne is now embarked on a program of two Shorthorn and Polled Shorthorn sales a year.

This spring sale marks a significant step in the Ashbourne program. Lyons Brown realizes the value of buying choice young cows, so this offering is made up **entirely** of mature females. They're all bred. A large number have calves at foot. And, there are many three-in-one combinations. You could hardly ask for more for your money.

Further, you can choose from outstanding young show bulls including the calf champion Polled Shorthorn bull at Chicago and Denver and a half brother to Ashbourne's International supreme champion bull.

There's value a plenty at Ashbourne April 20. Remember too, that the Sutherland Polled Shorthorn sale is April 18, just 20 miles west of Ashbourne. Come early for the biggest sale weekend of the spring.

ACADIA NAPOLEON 200th — The \$40,000 Acadia Napoleon 200th, by the AAA Acadia Napoleon 66th, was International grand champion as a junior calf. His dam is one of the strongest daughters of the big Hayard Monarch! The 200th stands in the spotlight with the highest type score ever given on official Ohio Performance Test. With length, trimness and size as his keynotes, he weighed more than 1,000 pounds at one year. He's the recognized epitome of what the future demands of a profitable beef animal — high feed conversion; a greater portion of lean tasty beef, and ever-greater economy of production. This the 200th has in abundance **today**. His sons will have it for you **tomorrow**. And . . . five of his good sons sell April 20, including his International calf champion son, Nector of Ashbourne x.

F F CORNERSTONE 7th — The 1969 International supreme champion, Cornerstone is a massive junior yearling by WSU Cornerstone 4th that has sired many great ones in the Inland Empire. He has the extra length of leg and body that are so much in demand today. He also has a great loin, quarter and abundant thickness and all the muscle you could want. He has width and constitution of the chest floor and a powerful head, a massive head with a bright eye, a powerful jaw and flaring muzzle. Eighteen females are bred to him, six more to half-brothers, and a half-brother sells.

F F Cornerstone 7th

The International supreme champion has been called the model beef type for the seventies. These pictures amply prove he is good from any angle.

A strong hind leg is vital for any modern herd sire. Notice, too, the depth of the second thigh, strength over the top and good turn to the loin of F F Cornerstone 7th.

Very few fitted show bulls are as clean in the brisket area as F F Cornerstone 7th. Moreover, notice the width and strength of the chest floor and the good placement of the front legs. Feet like these will seldom need trimming and should hold up for years.

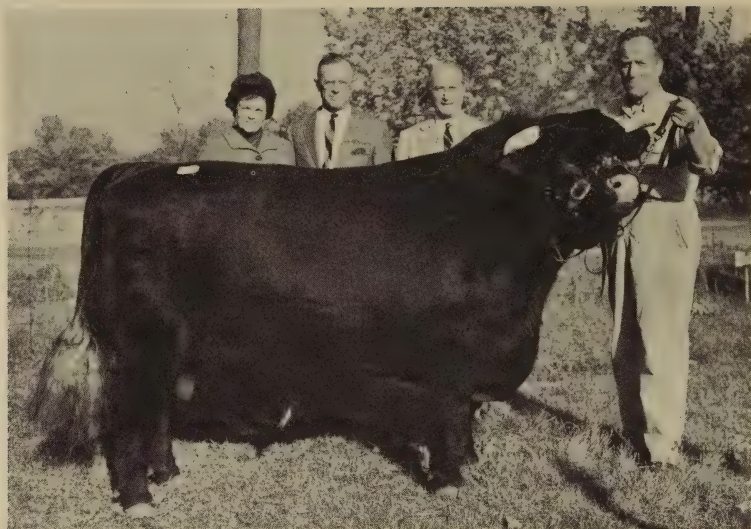

F F Cornerstone 7th proves that size can be combined with quality in a modern Shorthorn bull. Here is all the length, muscling and trimness you could ask for together with a strong head, bright eye and the character of a true stock bull.

Here is the most profitable part of any beef animal. **F F Cornerstone 7th** has a well turned loin with abundant length from the hooks back. Notice the absence of any excess fat in the flanks and twist.

His is a beautiful pedigree of which any breeder can be proud. His sire weighs 2,225 pounds on pasture. His grandsire, Scotsdale Navarre, grand champion bull, 1961 Royal Winter Fair, weighed 2,300 pounds. His dam was grand champion at the Royal Winter Fair in 1965 with Winner at foot. Winner was shown only once, but in that single outing was undefeated by the 1967-68 All-American nominees in his category.

Here's a modern bull with extra thickness and muscling. You can buy his valuable service on April 20.

F F CORNERSTONE 6th

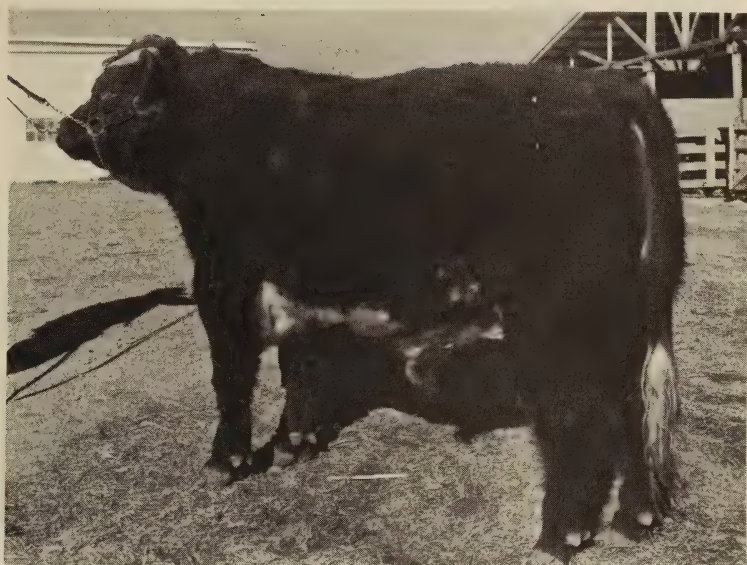

F F Cornerstone 6th

Here is a half-brother to the International supreme champion, F F Cornerstone 7th. Five Cornerstone bulls are in service at Ashbourne. You choose which is the best on sale day.

Sound feet and legs and a strong wide chest floor and cleanness in the brisket area are trade marks of the Cornerstone bulls at Ashbourne.

These views of F F Cornerstone 6th prove the amazing uniformity of the Cornerstone bulls at Ashbourne. Those who want the size so urgently sought by the cattle business today will find it in the Cornerstone sons. And, there is abundant muscling and lack of waste throughout these very modern bulls.

He is the only bull to win all seven major shows in Britain in one year and the only bull to be supreme champion at Perth and the Royal Highland in the same year. A one-third interest in him sold at a record price of \$20,000.

BEAUFORT LANDHOLDER

BEAUFORT LANDHOLDER

BEAUFORT LANDHOLDER must rank among the greatest stock bulls ever used at Ashbourne Farms. He was an imported son of **Beaufort Cravate**. **Cravate** was supreme champion of the strong Northern Counties show in Scotland. A high infusion of **Cruggleton** breeding on both sides of the pedigree gives him a strong concentration of the potent **A. J. Marshall** breeding.

DUNGARTHILL JASON

DUNGARTHILL JASON

DUNGARTHILL JASON brings invigorating outcross blood at Ashbourne. His pedigree is full of the greats of the breed. His dam, Millhills Jealousy 21st, is a granddaughter of the massive Kinsman whose sons averaged \$2,247 at Perth. Jason is the sire of an International Congress champion female and an All-American bull.

LOUADA REGALIA

LOUADA REGALIA was reserve junior champion at the Chicago International and Ashbourne Farms paid \$10,000 for a half-interest and possession. The sons and daughters of Regalia have compiled an enviable show record in North America. He is by the world famous Bapton Constructor and out of Louada Rothes Fragrance by Calrossie Armada, a blend that has produced some of the world's greatest cattle.
